

# CHIEH LEE

Cellphone: +886 912705786

Email: ischiehlee@gmail.com

Address: No.5-1 , Baguei, Sanyi Township, Miaoli County 36742, Taiwan (R.O.C.)

## Education

---

- National Tsing Hua University September 2014 – present  
Major: Electrical Engineering

## Research Experience

---

- **Memory Circuit Design** June 2016-present  
Professor: Meng-Fan Chang
  - ▶ Topic: IGZO , Circuit Design of New type memory
  - ▶ Simulated the circuit and do the analysis to modify or design a new circuit

## Work Experience

---

- **Summer Intern** July, 2017-August,2017  
Industry Technology Research Institute
  - ▶ Design a Portable UVC LED Water Disinfection system
  - ▶ Make the prototype, do the experiment, and modify the design to let the system have high disinfection rate
- **Administrative assistance** June, 2016-present  
Center of Teaching and Learning Development in National Tsing Hua University
  - ▶ Assist Activities
  - ▶ Make relationship with different kinds of people

## Scholarship

---

- **Wetech Qualcomm Global Scholars Program** January,2017 - present
  - ▶ One of the sixteen winners of Taiwan
  - ▶ 6-month mentorship, make myself more marketable, enhancing my competitive edge
- **TSMC – Scholarship of research assistance,2017** April,2017
  - ▶ Reward for research project

## Honor & Leadership

---

- **Vice Coordinator** October 2014 – September 2015  
Electrical Engineering camp

- ▶ Plan the activity schedule with Coordinator
- ▶ Deal with accounting affairs
- **Student Association** June 2016 – June,2017  
Electrical Engineering Department
  - ▶ Hold activities
  - ▶ Design posters for activities
- **Event General Coordinator** September 2015 - December 2015  
Aboriginal Camp
  - ▶ Supervise and manage activities progress

## Skills

---

- |               |           |              |
|---------------|-----------|--------------|
| ● Hspice      | ● Verilog | ● Solidworks |
| ● Illustrator | ● C/C++   | ● Matlab     |

## Language

---

- English: fluently
- Chinese: fluently (native)
